A Neighborhood Like Neighborhoods Used To Be

***Why Stay Home When You Can Explore?***

The All Saints Neighborhood bus is out and about every month, but in August and September it was really on the move! Folks cross the campus took trips to Timber Hill Winery, Devil's Lake, Epic Systems, Mackenzie Center, Henry Vilas Zoo, Christy's Landing, Mid-Continent Railway Museum, and Sutter Ridge Farm. Thank you to our staff members who organize these excursions, and thank you to our trustworthy drivers who maintain the busses and make it possible for folks to stay connected and engaged to the greater community!

# Senior Apartments Celebrate 20 Years of Spirited Senior Living!

On August 8, the All Saints Senior Apartments celebrated their 20th anniversary! There was a wonderful turnout of tenants who enjoyed music, food, fellowship; and a number of special guests were also in attendance. Shawn Carney, Executive Director of Catholic Charities, recognized three gentlemen who were instrumental in the development of the residence: Brian Cain, who led Catholic Charities of Madison for 24 years, and Gerry Ring and Joe Tisserand, both of whom served many years on the Catholic Charities Board. Six tenants who have lived at the Senior Apartments since it opened 20 years ago were also recognized: Elaine Busch, Patricia Dahl, Patrick Ellis, Patricia Schroeder, Susan Standiford and Kathy Verage. David Griffin, President of ElderSpan Management, operators of All Saints Neighborhood, thanked all the staff; and Bishop Donald J. Hying gave a blessing and afterward humorously compared the wait list for the Senior Apartments to being on the wait list for season tickets to the Green Bay Packers.

# Special Family Time During Summer Party

Staff at the assisted living residence hosted their annual summer family party at the end of August. Thank you to everyone who attended! As usual, the gathering was a wonderful event. Delicious food, good laughs and precious time with loved ones. Now that's a recipe for a fantastic party!

# World Kindness Day

To commemorate World Kindness Day on November 13, the campus will hold a food drive for Second Harvest Food Pantry. There will be drop-off locations at each residence. Please donate non-perishable food items by Tuesday, November 12. Thank you!

# A Very Comfortable Way to Exercise

There's a new addition to the All Saints Wellness Center - a SOLE Recumbent Bike! According to Wellness Coordinator Kaden, it's a low-impact, well-padded machine that is extremely senior friendly. It even has a fan to keep you cool! If you want to improve mobility or decrease joint pain and stiffness, this could be a great option! Stop by and Kaden can help you try it out!

# Fresh Veggies!

What a treat to have a farm stand in the Senior Apartment parking lot in August! Thanks to Scott from Alsum Sweet Corn in Randolph for bringing the beautiful produce. We hope he can come again next year!

# Inspiring Generations

September 8 - 14 was National Assisted Living Week, dedicated to celebrating assisted living residences and the vibrant, young-at-heart seniors who live there. The theme was Inspiring Generations, and they truly do just that! The week started off with Grandparents Day and special visits with family members. There were also picnics, a visit from St. James 4th graders and yummy treats from the Vesperman ice cream truck. During this week we also recognized our dedicated staff members with food, prizes and the annual gift of an All Saints t-shirt. This year's color was Poppy! We are eternally grateful for their dedication, passion and continued caring service to the folks who call All Saints their home. Please join us in thanking them for their commitment and servant hearts. They are priceless!
